Winter intensive

1, 3, 5, 8, 10, 12 July 2019, 10.00am–5.00pm

This unit will explore how art has been and remains an integral part of the evangelising and catechising mission of the Church. Through art, the unit will explore essential themes of Catholic theology and Scripture, such as: the Trinity, Jesus Christ, Mary, the saints, heaven and hell, the Church, the sacraments, sin and evil, suffering and death, virtues and vices, mission and service. Participants will explore skills and techniques of 'visual literacy' through the examination of the elements of art: colour, line, medium, mood, gesture, framing, lighting and symbols. Students will then be invited to unpack the theological and spiritual elements portrayed through art and compare them with the current teachings of the Catholic Church. In each session, students will explore the pedagogical and catechetical application of the arts for their ministry and mission.
