

1026 student responses told us about their study experience

The Student Unit Evaluation Survey was conducted at the conclusion of Semester One, 2020 by the Office of the Vice-Chancellor.

Out of 1026 responses throughout the student body of the University of Divinity surveyed, the percentages (rounded to the nearest whole number) of those that **agreed** or **strongly agreed** to each of these aspects of their learning were:

Developing knowledge
97%

Gaining a clear purpose
95%

Accessing Library Hub and ARK
96%

Receiving helpful and supportive feedback
94%

Learning skills
95%

Participating actively online
94%

Clear communication
95%

Encouraged to participate
94%
