## GRADUATION

ST PATRICK'S CATHEDRAL

Melbourne

---

*Graduation Address  
delivered by*

The Reverend Dr John Mark Capper

**THE CEREMONY** of conferring degrees and awarding diplomas and certificates is a time-honoured ritual performed at academic institutions throughout the world. It is the moment when awards are formally made, and is a celebration of the achievements of the graduands.

Graduation ceremonies at the University of Divinity celebrate the academic excellence of our students, honour our collegiate structure and reveal the richness of the many Christian traditions which shape our identity.

The ceremony begins with the procession of the University's academic staff, doctoral graduands, distinguished guests, and members of the University's Council.

As befits a University of Divinity, the first part of the ceremony includes prayer and a reading from scripture.

The formal graduation commences in the second part of the ceremony, when the Chair of the Academic Board certifies to the Chancellor that all graduands listed in the program, whether present or absent, have completed the requirements of their awards as established by the Council and the Academic Board.

Candidates for coursework awards are then presented to the Chancellor, grouped by Colleges, followed by candidates for research masters' degrees and doctoral awards.

The guest speaker delivers an address and, following a final prayer, the ceremony concludes with the academic procession, now augmented by the new graduates.

## WELCOME.

TONIGHT THE UNIVERSITY GATHERS AT ST PATRICK'S CATHEDRAL, Melbourne, to witness the graduation of some 421 students.

On behalf of the Council of the University, I am delighted to welcome each graduand to tonight's ceremony. We honour your academic achievements in theology, philosophy, counselling, education, and ministry.

It is a particular pleasure tonight to welcome our guest speaker, the Reverend Dr John Mark Capper.

At this ceremony, each of you becomes a member of the alumni community of the University of Divinity. Our alumni are found in every corner of the globe, serving churches and communities in extraordinary ways. As you join them, I hope that you will draw on your attributes as a graduate of the University, as you continue to learn, articulate, communicate, engage and serve.

Tonight's ceremony takes place in the midst of the global pandemic, requiring adjustment to some of our usual practices. It is all the more a privilege to be able to gather together. I thank all who are attending tonight, both online and onsite, to support our graduands, including family, friends, colleagues, members of the University Council and the staff of its Colleges. Your support is invaluable to our graduands and to the University as together we address the issues of our contemporary world through critical engagement with Christian theological traditions.

### ABOUT THE SPEAKER

THE REVEREND DR JOHN MARK CAPPER is an ordained Anglican theologian, educational leader. John is involved in organisational governance as well as in teaching and mentoring teachers in theological education. John served as Director of Learning and Teaching at the University of Divinity from 2013-2019 and is currently the Academic Dean at Stirling Theological College.

John's PhD from the University of Cambridge is in systematic theology, exploring Karl Barth's Theology of Joy. This built on five years of training evangelists with the Church Army in Australia. John developed his love of theology and its relevance for practical ministry in rural New South Wales, building on studies at Ridley College and through St Andrew's Hall. John began his professional life as a Chemical Engineer with Shell Refining in Sydney.

A teacher of theology, John has been an early adopter and innovator in using online educational tools, as well as using drama and movement in teaching. Described by more than one student as a "stand-up theologian", he seeks to engage students fully with each other, with the sources of theology and its traditions, and with God.

John is an active member and occasional preacher at Mullum Mullum Anglican Church and a Board Member of Tintern Grammar, his tenth school board. He has served on a number of Academic Boards in higher education and is a member of the Australian Institute of Company Directors, as well as professional bodies in the area of theology and theological education.

*Supervisors: Reverend Canon Professor Dorothy Lee FAHA and*

*Reverend Dr Fergus King*

*The thesis generates a missional lens, which highlights the importance of the Covenant and the Exodus motif for understanding Revelation's missional perspective and reframes the text's conceptualisation of 'mission'. The lens is further utilised to create dialogue between the text and contemporary missional theology, in particular (WCC) Together towards Life.*

*Supervisors: Dr Michael Green and Dr Micheál Loughmane*

*Supervisors: Reverend Professor Austin Cooper and Very Reverend Dr Kevin Lenehan*

*This study of Bruno Barnhart's vision shows how his approach to Christian wisdom reveals a framework for wholeness in Christian life. Four key principles emerge as orientation points for theological and textual engagement – radical participation, nonduality, creative freedom and communion. The work provides an impetus for personal engagement in the diversity of our time.*

*Thesis: Towards a Theology of Redeeming History: Tracing the Origins and the Development of Bernard Lonergan's Theology of Redemptive History as Found in his Unpublished Papers of File 713.*

*Supervisors: Sister Dr Kathleen Williams and Professor Matthew Ogilvie*

*Through a thorough study of the early unpublished essays and notes on Bernard Lonergan's dialectic of history, this thesis concludes that Lonergan's early insights remain and mature in his later works. In particular, the work establishes the importance of applying Lonergan's praxis theology, concluding that an understanding of Lonergan's theology of redemptive history will help towards finding solutions to Melanesia's contemporary social challenges.*

**Brendan Mark Connell**

*Yarra Theological Union*

*Thesis: The Formulation and Development of the Preferential Option for the Poor in Catholic Social Teaching*

*Supervisors: Reverend Associate Professor Michael Kelly, Reverend Dr Bernard Teo and Emeritus Professor Brian Johnstone*

### THE UNIVERSITY BADGE

The University Badge represents its Vision, Mission, and collegiate identity. The Badge is a star, formed by a constellation of open books. The star is a biblical symbol that appears in the heavens to point wise ones on earth towards the Christ. It is also an Australian symbol, as shown by the federal star and the Southern Cross on the Australian flag.

The books which make up the star represent wisdom, and are open to critical interpretation. The gathering of these many parts into a whole expresses the collegiate shape of the University.

The gold represents excellence. The distinctive accent is red, representing passion and sacrifice which facilitate and flow from the study of divinity.

The constellation of books creates two stars, one on the outside and one on the inside, illustrating the University's commitment to tradition and innovation. Through critical study, the University brings ancient truths into dialogue with the issues of the contemporary world.

### THE UNIVERSITY MACE

The University Mace was commissioned in 2017 from F. J. Rocca Silversmiths in Carlton, Victoria. The Mace is based on the University Badge, which appears at the tip of the Mace on a head of brass.
