---

GRADUATION

*7.30pm, Friday 3rd December 2021*

ADELAIDE ONLINE CEREMONY

**THE CEREMONY** of conferring degrees and awarding diplomas and certificates is a time-honoured ritual performed at universities throughout the world. It is the moment when awards are formally made, and is a celebration of the achievements of the graduands.

Graduation ceremonies at the University of Divinity celebrate the academic excellence of our students, honour our collegiate structure and reveal the richness of the many Christian traditions which shape our identity.

WELCOME.

TONIGHT THE UNIVERSITY GATHERS AS AN ONLINE  
COMMUNITY TO WITNESS THE GRADUATION OF 98 STUDENTS.

We honour your academic achievements in theology, education, and ministry.

Graduation ceremonies at the University of Divinity honour the University's academic excellence, collegiate structure and Christian traditions.

On behalf of the Council of the University of Divinity, I acknowledge the sacrifice that has been made by each student graduating tonight due to the absence of a physical graduation ceremony. This decision was made in light of the coronavirus pandemic and the need to take all possible steps to protect the health and safety of the University's members and the general public.

I thank all who join me online tonight in support of our graduands, including family, friends, colleagues, members of the University Council and the staff of its Colleges. Your support is invaluable to our graduands and to the University as together we address the issues of our contemporary world through critical engagement with Christian theological traditions.

At this ceremony, each of you becomes a member of the alumni community of the University of Divinity. Our alumni are found in every corner of the globe, serving churches and communities in extraordinary ways. As you join them, I hope that you will draw on your attributes as a graduate of the University, as you continue to learn, articulate, communicate, engage and serve.

*This thesis seeks to (re)read scepticism in Ecclesiastes from a diasporic Australian-Samoan perspective. How could such a pessimistic voice exist among the priestly elite? Could it be the voice of someone living in the Jewish diaspora? These questions were investigated intertextually, in conversation with other parts of the Hebrew Bible.*
