Afternoon Services May – July 2022

Listening for Sophia - Woman Wisdom Speaks

Sophia's Spring meets at 4 pm on the third Sunday of the month. You are invited to join our circle for a series of three Afternoon Gatherings when we seek greater understandings of Sophia. Participate in liturgy, savour supper and good conversation.

15 May: Sophia Woman Wisdom: not a feminist invention

Rev Dr. Sally Douglas will reflect with us. Sally is Minister at Richmond Uniting Church and a scholar whose writings explore textual sources from our Christian tradition where Jesus embodies Woman Wisdom

19 June: "Sophia – the Feminine Face of God"

A video presentation on Sophia as the feminine face of God in the Gospel of John followed by conversation. Presentation Sister Mary Coloe – Professor at Yarra Theological College

17 July: How Sophia shapes our practice.

Sophia's Spring liturgy, community life and decision-making processes reflect our eco-feminist theology. We continually seek Sophia in our discernment. Speaker TBA

We meet at 4 pm to participate in liturgy and reflection. You are invited to stay for a simple healthy meal afterwards, and continue the conversation. If you can't attend in person, you are welcome to join us via Zoom.
